Manipal Centre for European Studies (MCES) is dedicated to sharing and enhancing knowledge between India and Europe. The Centre was established in 2009 with funding from the Delegation of the European Union to India. In 2018 MCES was the first in the country to be recognized as a Jean Monnet Centre of Excellence by the European Union. MCES has created a niche for itself over the last several years by fostering a multidisciplinary approach to area studies. With its emphasis on creative pedagogy and internationality, MCES provides learners with unique pathways to shape their careers.

International Collaboration – MCES has Memoranda of Understanding (MoUs) with several European universities which facilitate mobility of students and staff between India and Europe.
