## About Centre for cGMP

Centre for cGMP is a Centre of Excellence, established under the aegis of Manipal Academy of Higher Education (MAHE), Manipal, which no pharmaceutical institute in India has to date. Centre for cGMP was established on 11th February 2021. The Centre is the brainchild of Dr. Girish Pai K, and the team consists of 5 inhouse co-coordinators, 4 industry experts, 3 International and 20 National Honorary Advisory Board Members respectively. "Well begun is half done" and our aim is to create cGMP awareness at the budding stage so that education institutions can prepare students to handle the challenges thrown at them effectively. Aim is to make them Quality conscious and contribute positively to the field of cGMP.

### Centre for cGMP's major contribution to pharmaceutical industry includes:

- Conceived the idea and initiated the practice of celebrating 'National cGMP Day' starting 10 October 2023 onwards.
- Conceptualised world's first-ever digital museum on pharmaceutical quality "Manipal cGMP Museum" dedicated to Dr TMA Pai, founder of MAHE, Manipal.
- Published a unique book 'Pharmaceutical Consumer Complaints – A guide to academia and pharmaceutical industry'

Centre for cGMP is recipient of prestigious INDIA PHARMA AWARDS 2023 for Excellence in Quality Assurance.

Address by Ms. S Aparna, IAS, Secretary, Dept. of Pharmaceuticals, GoI, during first "NATIONAL cGMP DAY"
