

Success Stories

The MSW Programme is ranked 3rd among the emerging social work institutes and 16th among all the colleges in the country (India Today Survey, 2020). We are proud to introduce Modular Curriculum in line with the National Education Policy, 2020 with effect from academic year 2021-22. Our alumni are well placed in various Governmental and Non-Governmental Organizations of national/international repute.

Manipal Experience

"The two-year MSW program was a life changing experience. It gave me better knowledge and understanding of what I want to be in life."

– Carismah H Coutinho, IB Educator, Trio World Academy

"I had great time in Manipal. I had opportunity to organize International conference, mingle with innovative minds. Our Professors supported us to dream big!"

- Nidhi Muthane, Co- Founder, Silver Lining NGO

"It has been a once-in-a-lifetime experience for me, because of both, the curricular and the extra-curricular experiences. The curriculum absolutely fits my aspirations. The field visits at different NGOs and health institutions were really exciting!"

- Tjark Hoppen, Co- Lead at Nielsen CARES/GREENS

MASTER OF
SOCIAL WORK
PROGRAMME

Aim of the Programme

The Master of Social Work (MSW) Programme aims to become a leading centre of excellence in education, training and research in social care and development.

About the Programme

The programme is designed to develop culturally competent social work professionals to manage emerging global challenges in social care and human development. The program offers a rigorous, comprehensive, constructive and progressive experience of growth to the graduates through a highly structured field-embedded curriculum.

With a perfect blend of theoretical and practical learning, the programme builds critical faculties and advanced professional skills of the graduates which is required for practice in the field of their choice.

Spread across two years, this post-graduate programme is an amalgamation of regular lectures, group-discussions, learning through case studies, problem based learning, group discussions, seminars, journal presentations, internship and subsequent research orientation. We create opportunities for the graduates to discuss, innovate and gain hands-on training through several academic engagements, and service and research projects.

Duration: Two-year full-time programme with Modular-based curriculum framework.

Specializations

- Community Development
- Human Resource Management and Industrial Relations
- Medical and Psychiatric Social Work

Modules for the Current Age

In addition to the core and foundation modules, we strive to stay ahead of the current developmental and market transitions through new modules including:

- Social Entrepreneurship and Development
- Sustainable Development and Global Perspective
- Natural Resources and Sustainable Livelihood
- Innovative Approaches for Vulnerable Population
- Global Health, Policies and Innovations
- Human Resource Development and Workplace Wellness

Strengths of the Programme

- Multi-disciplinary campus with state-of-art facilities
- Competency driven curriculum with student-centred learning experience
- Student exchange programme with Maastricht University, The Netherlands
- Experienced national and international faculty members
- Emphasis on professional as well as personal effectiveness
- Exposure to research-oriented learning paradigm
- Excellent track record of job placements

Collaborations
