

Rubric for Urban Design Studio End Semester Jury

CO1 : To interpret the urban systems and identify the urban issues (7.5 marks)

SI No.	FACTORS	Marks	Excellent	Good	Satisfactory	Poor	Emergent	Not acceptable
			Upto 100%	Upto 80%	Upto 60%	Upto 40%	Upto 20%	0
C2	Comprehend	7.5	Ability to Demonstrate the application of Understanding	Ability to Demonstrate a clear Understanding	Ability to Demonstrate the basic Understanding	Basic Understanding	Difficuty in Understanding	Unable to Understand

CO2 : To identify and construct appropriate methodology for the urban design process (5 Marks)

SI No.	FACTORS	Marks	Excellent	Good	Satisfactory	Poor	Emergent	Not acceptable
			Upto 100%	Upto 80%	Upto 60%	Upto 40%	Upto 20%	0
C6	Creativity	5	Clear understanding; able to reflect on the research gap, Litrature and formulate	Clear understanding; able to reflect on the research gap, Litrature and not able to formulate correctly	Good understanding of the domain, but not able to formulate correctly	Basic understanding; poorly formulated	Lack of understanding	Unable to Understand

CO3 : To organize the essential data to be collected (10 Marks)

SI No.	FACTORS	Marks	Excellent	Good	Satisfactory	Poor	Emergent	Not acceptable
			Upto 100%	Upto 80%	Upto 60%	Upto 40%	Upto 20%	0
C2	Comprehend	10	able to organise the collected data with clear Understanding and full Data Collected	Clear Understanding and full Data Collected	Clear Understanding and partial Data Collected	Unclear Understanding and partial Data Collected	Unable to collect required Data but Clear understanding	Unable to collect required Data and unclear understanding

CO4 : To appraise various methods of design analysis (17.5 Marks)

SI No.	FACTORS	Marks	Excellent	Good	Satisfactory	Poor	Emergent	Not acceptable
			Upto 100%	Upto 80%	Upto 60%	Upto 40%	Upto 20%	0
C4	Analyze	17.5	Ability to Identify the issues, categorize the reasons, conclude the solutions	Ability to Identify the issues, categorize the reasons	Ability to Identify the issues	Ability to identify the basic issues	Difficuty in identifying the issues	Not able to identify the issues

CO5 : To evaluate and conclude the study through effective presentations (10 Marks)

SI No.	FACTORS	Marks	Excellent	Good	Satisfactory	Poor	Emergent	Not acceptable
			Upto 100%	Upto 80%	Upto 60%	Upto 40%	Upto 20%	0
C6	Conclude	10	Able to Evaluate and conclude the study with effective presentation	Able to Evaluate and conclude the study with average presentation	Able to Evaluate and conclude the study with poor presentation	Ability to Identify the process of Evaluation and conclude the study with poor presentation	Ability to Identify the process of Evaluation but unable to conclude the study	Unable to Identify the process of Evaluation and unable to conclude the study
