Department of Obstetrics & Gynaecology

Department of Obstetrics & Gynaecology

Department of Obstetrics & Gynecology established in the year 1955 is now a state of art multispecialty department. Dating back over more than six decades the tradition to make a difference in women's health continues. The department prides itself on the high quality patient care in the areas of antenatal care, postnatal welfare, infertility, oncology and urogynecology. With a well- qualified team of Obstetricians and Gynecologists divided in 5 units we are dedicated to provide excellence in clinical care and to meet the unique health needs of women. We bestow the most comprehensive healthcare services for every stage in a women's life – from adolescence through child – bearing to menopause and the post- menopausal years.

In the department of Obstetrics & Gynecology we cater to the following:

- Complete obstetrical care
- Comprehensive family welfare
- Infertility management
- Prenatal diagnosis
