Manipal Infectious Diseases CME 2014

December 21, 2014

Venue:
1st Floor, Dr TMA Pai Hall
Manipal

Organized by
Department of Medicine
Kasturba Medical College
Manipal University, Madhav Nagar
Karnataka, Manipal - 576104

Endorsed by:

Dear Colleagues and friends,

On behalf of the organizing committee we are delighted to invite you to the Manipal Infectious Diseases CME 2014, hosted by the Department of Medicine, Kasturba Medical College, Manipal University, Manipal on 21st December 2014. The problem of “antimicrobial resistance” is more than a threat now; it has become real. This CME aims at sensitizing the post graduate students and practicing clinicians to the precarious situation of antimicrobial resistance in India and to promote surveillance, research and best practices to contain the spread of drug resistant pathogens.

With the theme “Antimicrobial Resistance”, the CME will cover a range of topics like drug resistance in bacteria, TB, malaria and fungi in the form of lectures by infectious diseases experts, panel discussions and challenging case discussions topped up by an ID Quiz for PGs. The CME is aimed at specialists and students in the field of medicine, microbiology, pulmonary and critical care medicine, surgery, paediatrics, epidemiology, pharmacology and pharmacy practice. The future of the bugs is in our hands. Knowledge is power. Please join us in our endeavor to preserve the miracle called antimicrobials for future and stay empowered in the battle against the microbes. We hope to see you all in Manipal to make this CME a worthwhile experience!
