(A constituent unit of MAHE, Manipal)

WORKSHOP ON UPDATES IN PAEDIATRIC NURSING

Organized by Department of Child Health Nursing, Manipal College of Nursing, MAHE Manipal

About us: The Manipal College of Nursing (MCON), a constituent unit of MAHE is one of the leading institutions in India for nursing education and research, was established in 1990. MCON has progressively grown in strength and scope over the years. It has highly qualified faculty, excellent infrastructure, and the university's teaching hospitals, which provides a wholesome experience in nursing education. Our mission is to be a world class nursing institution with international standards and a hallmark of excellence in nursing education, practice and research.

About the Topic: This workshop on updates in pediatric nursing focuses on drug calculation, latest guidelines on skincare, immunization and nursing process, that may help nurses in minimizing the problems caused due the improper pediatric drug calculation, skin care ,immunization and implementation of the nursing care process . Medication error can be avoided with proper knowledge on drug calculation. Skin care is an important aspect of patient care, because it provides the most needed comfort to the child. Updating nurses on Immunization is an important aspect as it strengthens preventive pediatrics care. The nursing process functions as a systematic guide to client-centered care, these aspects of care when applied properly minimizes clinical related problems and empowers nurses .
