About MAHE

MAHE, Deemed to be University is synonymous with excellence in higher education. Over 28,000 students from 57 different nations live, learn and play in the sprawling university town. It also has nearly 2500 faculty and almost 10000 other support and service staff, who cater to the various professional institutions in health sciences, engineering, management, communication and humanities. The university has off-campus in Mangaluru, Bengaluru, Jaipur and off-shore campuses in Dubai (UAE) and Melaka (Malaysia). Every institute has world class facilities and pedagogy, which are constantly reviewed and upgraded to reflect the latest trends and developments in higher education.

Manipal College of Pharmaceutical Sciences (MCOPS)

A constituent unit of MAHE, Manipal which was established in 1963. MCOPS offers DPharm, BPharm, MPharm, PharmD, PharmD. Post Baccalaureate and PhD programmes. The college celebrated its Golden Jubilee during the year 2012-13. The college is ranked 251-300 in QS World Ranking.

AICTE has identified this institution as a center for Quality Improvement Program (QIP). College is organizing QIP regularly for the benefit of pharmacy teachers.

The college has many research projects funded by various industries and government funding agencies. It boasts of a centralized state-of-art library, research center and centers of excellence. The college is attached to one of the best teaching hospital - Kasturba Hospital.

About this QIP

Designing and formulating a drug is a complex process involving various challenges. Different strategies are employed to overcome these challenges and to optimize the process. This QIP mainly aims at providing insights to understand the challenges and the strategies required for the drug design and formulation development.

Objectives

- To give an overview of challenges and techniques in the design of new chemical entities and current development in the area of drug design.
- To understand the challenges and strategies in drug formulation by case study approach.

Organized by the Departments of:

**Pharmaceutical Chemistry
(08 - 14 November 2018)**

&

**Pharmaceutics
(15 - 22 November 2018)**
