**Sub: Extension of approval to COLLEGE OF PHARMACEUTICAL SCIENCES MANIPAL-576
104 KARNATAKA for the year 2005-06-reg.,**

Sir/ Madam,

As you are aware, **All India Council for Technical Education** has been mandated under the AICTE Act, 1987 to ensure **maintenance of norms and standards** with regard to technical education in the country. In exercise of this mandate, the Council insists on fulfillment of the minimum requirements prescribed for imparting technical education by the institution so that **quality of courses** is not compromised and stakeholders are satisfied. The Council also undertakes an **annual Inspection** of the institutions and conveys deficiencies to them for **rectification**.

It has been observed however that notwithstanding the Council's **repeated advice** to comply with minimum norms and standards, many institutions continue to be **complacent** about taking steps to remedy the deficiencies.

Such institutions suffer from **critical deficiencies** of faculty in proper cadre ratio, qualification, experience and other requirements. Feed back of students with regard to quality of education imparted by such institutions has evoked grave concern. The Expert Committees, following **holistic appraisal** during inspections, have also pointed out severe shortcomings

The deficiencies observed by the Expert Committee **Annexure-A** for your perusal.

The Council is please to extend the approval to **COLLEGE OF PHARMACEUTICAL SCIENCES, MANIPAL-576 104 KARNATAKA**. The course-wise approved intake for the year 2005-06 is as under: -
