-----DO'S & DON'TS-----

In the wake of certain unsavory incidents over the last few months, the Management of Manipal-TATA Medical College and Jamshedpur Police have chalked out plans to put an end these incidents for the security and safety of the students in the MTMC. This move is to ensure that students enjoy their stay on the campus or off it, so that after they graduate and leave the portals they will take back rich memories of their stay in Jamshedpur. The MTMC is prepared to do everything for the holistic development of every student and in turn the student is expected to live up to all expectations, not only of the MTMC but also the dreams of their loved ones far away.

For this purpose, the MTMC and Jamshedpur Police have come up with a few do's and don'ts for students staying in hostels and outside. They are:

- 1) Rules and regulations are already in place both for hostels (MTMC) and for those staying outside (Police). They will have to be strictly adhered to at all times.

- 4) Students with two wheelers or four wheelers are to have complete documents in possession always. If any vehicle is found without relevant papers, the vehicle will be seized and handed over to the Jamshedpur Police authorities.
- 5) Foreign students are also expected to abide by the law of the land. They risk deportation if found to be involved in illegal activities. Students are also requested to cooperate and bring unlawful acts immediately to the notice of concerned authorities.
- 6) No student will be allowed to be on road after 9.30 pm for any reason. They will be taken to the police station if they are found roaming on the streets after that time.
